Tuition

\$650

\$550

Early Bird based
on availability

Full refund until November 1st, NO refund after November 1st.

8 CE HOURS

From this lecture participants will learn:

- Materials and techniques to enhance treatment outcomes, including occlusion and soft tissue management in the restoration and replacement of teeth.
- Current thoughts on when to extract / when to restore.
- How to sequence and phase comprehensive treatment to improve case acceptance and make the treatment financially more manageable for the patient.
